Washington, D.C. – Congressman Jerry McNerney (CA-11) is proud to announce his second annual “Holiday Cards for our Troops” program. Rep. McNerney will collect holiday cards for soldiers recovering from battle and stationed away from the home front. “The holiday season can be a stressful time of year for the soldiers who serve our country, particularly for those who are far from home,” McNerney said. Constituents are asked to make or purchase a holiday card, write a message of thanks inside to a service member, and mail it to McNerney’s office. Last year, the Congressman collected and delivered over 700 cards, some with incredibly touching and inspiring messages.
